Timeline

What We've Heard

Growth

- Better integration of housing and transit
- Displacement
- Too much growth and development
- Loss of sense of community and character
- Course corrections
- Impact fees
- More neighborhood control

Alternatives

- Equity
- New or reclassified urban villages
- Projections
- Avoid places that have grown
- All same, little difference

Housing

- Affordability
- Rent control, incentive and inclusionary zoning
- More options in SF areas, duplex, triplex, cottages
- Family-size housing
- Homelessness
- Make TOD happen

What We've Heard

Transit & Infrastructure

- Improvement-faster, frequent
- More options-walking, biking
- Loss of parking
- Fix infrastructure

Environment & Energy

- Open space system
- Views
- More green- parks, open space, roof, trees, urban ag, native plants
- Consider climate change, sea level rise, refugees
- More renewables, solar, conservation
- Less coal

Economy & Jobs

- Living wage jobs
- Industrial jobs
- Childcare
- Disperse jobs
- Services for areas not urban villages
- Local businesses
- Job training
- Broadband

What We've Heard

Urban Villages/ Land Use

- Invest to support growth
- Places in between UVs need investment
- Vibrant city, not just UVs
- Inappropriate height

Plan Format

- Better monitoring
- Less jargon
- Fewer policies
- More graphics, photos, definitions

Other

- More arts and culture
- Active living, obesity
- Outreach- renters, immigrants, youth
- Loss of character, culture
- Coordinate with schools

Key Directions Public Event

Purpose

- Share what we heard
- Provide an opportunity for community to respond to key issues and possible policy options

Format: Activity Station for Element

- Quick Poll
- Choose among options
- Prioritize a list
- Offer a solution

Activities will be online for four weeks

Four Planning Alternatives

- Urban Center Focus
- Urban Village Focus
- Light Rail Focus
- Transit Focus

Race and Social Justice

- Scan of current plan of policies related to RSJI
- POEL outreach this summer and fall
- American Planning Association best practices for Comprehensive Planning – 9 practices for “interwoven equity”
- Consideration of impacts on affordable housing as part of EIS
- Staff Workshops with Policy Link in July
- Potential public lecture and discussion with Manuel Pastor in fall

Next Steps

- Continue to draft policies
- Release results of capacity analysis in July
- Graphics and plain talk
- Plan engagement for Fall
- Review preliminary DEIS findings in September
- Next PLUS Update - September
